

TAILORED INSURANCE FOR THE RECRUITMENT AND LABOUR HIRE INDUSTRY

We are an Australian based Underwriting Agency that offers casualty products to licenced insurance brokers on behalf of their clients. Our aim is to provide a solution for complex liability business.

Our team of experienced underwriters have the knowledge and experience to offer tailored solutions and our focus is on ensuring all recruitment, labour hire and training organisations have the correct insurance by offering a comprehensive policy designed to meet their needs.

Tailored package solution

Automatically includes Broadform Liability and Professional Indemnity with the option to enhance the coverage to include

- Directors & Officers Liability
- Employment Practice Liability
- Cyber
- Commercial Legal Expenses
- Host Employer Liability Policy

We can review client contracts and tailor the product to meet your client's insurance, contractual and business needs.

Broadform Liability
