

TAILORED INSURANCE FOR COMPLEX AND HARD TO PLACE PROPERTY BUSINESS

We are an Australian Based Underwriting Agency and Wholesaler, providing solutions for complex and hard-to-place property risks to licenced insurance brokers.

Our team of experienced underwriters have the knowledge and experience to offer tailored solutions for your client's most complex risks.

We can offer risk engineering services to help insureds with improvements and changes to operations, and our experienced underwriters can provide advice to manage renewal objectives.

We are also able to help with layered programmes, excess of loss layers and deductible buydowns.
